## Your Partner in Every Stage of Construction

At ONEXPO, we simplify the way Bengaluru builds. Whether you're a contractor, architect, designer, or builder, we bring together trusted brands, reliable supply, and expert guidance - so you can focus on what matters most: building with confidence.

## Why Professionals Choose ONEXPO

- **All-Under-One-Roof Convenience**  
From TMT steel to tiles and textures - everything in one place.
- **Assured Supply & Delivery**  
Seamless logistics for small to large - scale projects.
- **Competitive Pricing**  
Transparent quotes with bulk order benefits.

# “Get Inspired Get Building”

## Mission

To simplify and elevate the material selection process by creating a space that inspires, informs, and empowers professionals to build better.

## Vision

To become the most trusted and engaging destination for building and design decisions, where function meets form and every space begins.

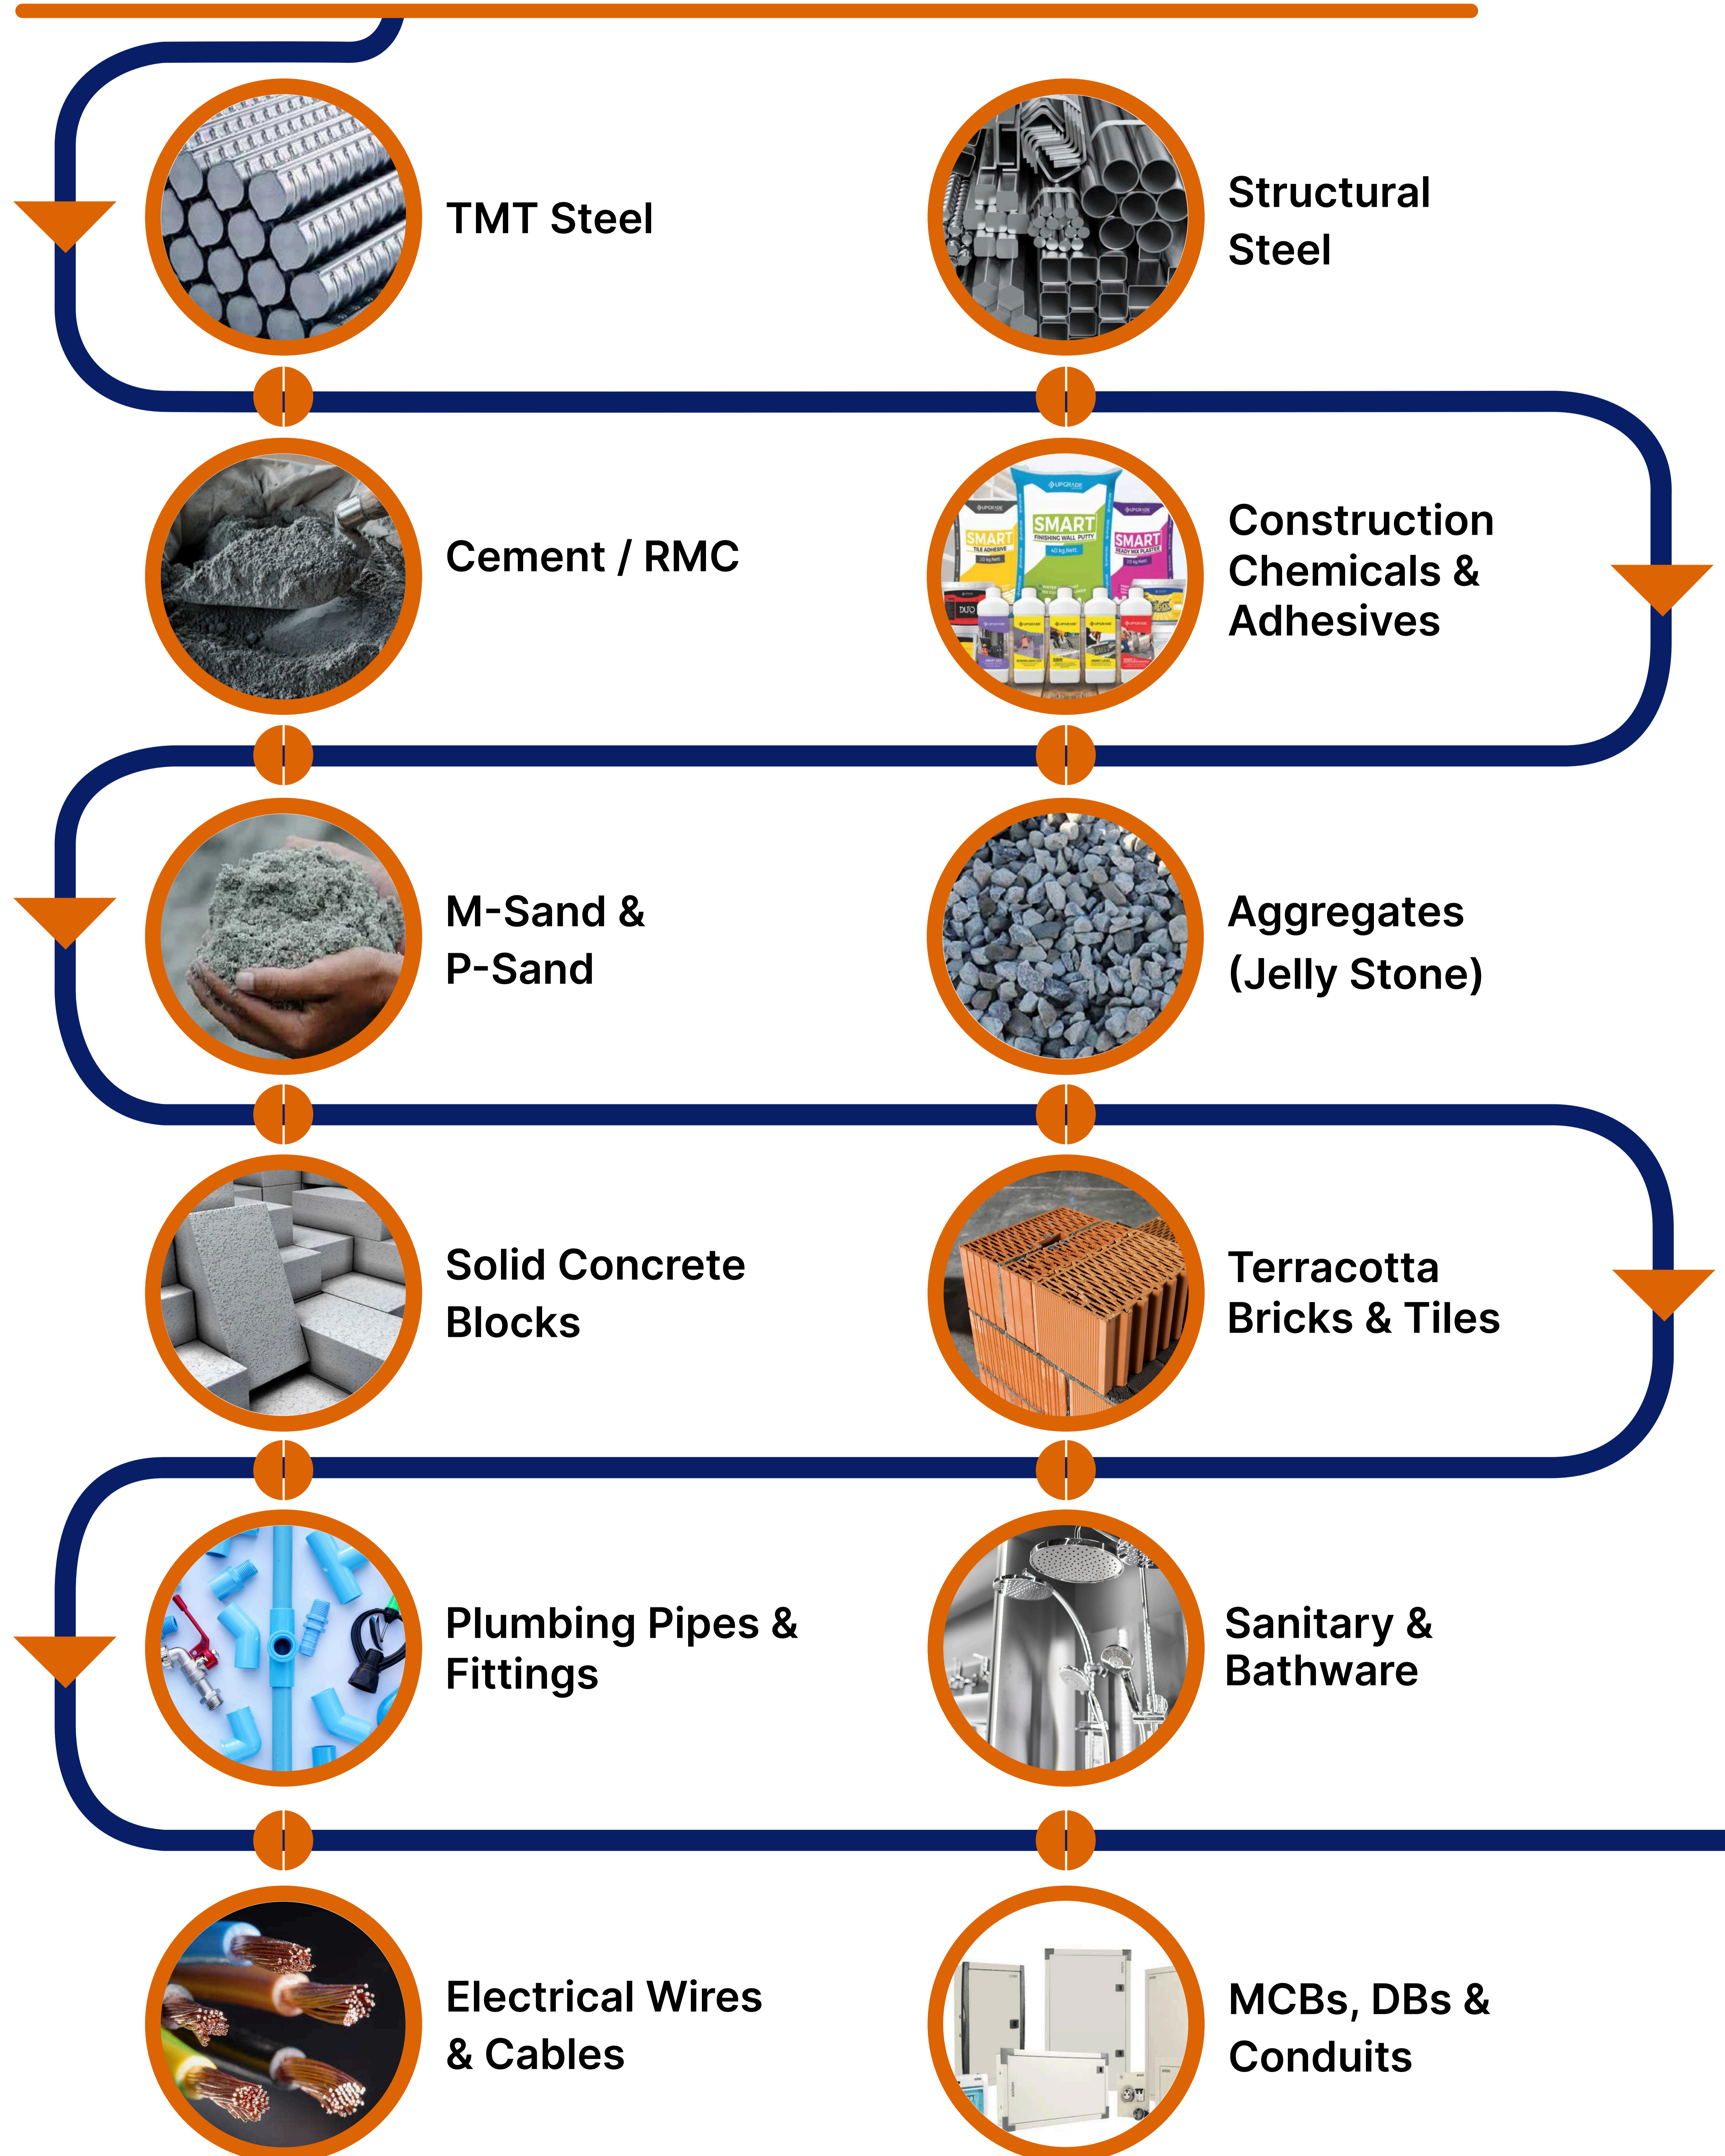

## Trusted Brand Partnerships

Collaborating with India’s top construction and décor brands.

## A MODERN BUILDING EXPERIENCE

**ONEXPO** is built to simplify the way Bengaluru builds. Designed as a comprehensive building material experience space, **ONEXPO** brings together trusted brands, essential materials, and expert guidance under one roof.

From structural materials to finishing and interiors, **ONEXPO** enables professionals to explore, compare, and choose materials with confidence. Every category is curated to support real project needs – residential, commercial, and large-scale developments alike.

More than a store, **ONEXPO** is a destination where informed decisions begin.

## STRATEGIC LOCATION, STRONG OPERATIONS

Located in Bengaluru, **ONEXPO** serves as a central hub for builders, contractors, architects, and designers across the city and surrounding regions.

With streamlined sourcing, reliable availability, and efficient coordination, **ONEXPO** supports projects with consistent supply and practical timelines - helping professionals focus on execution without disruption.

## COMPREHENSIVE PRODUCT RANGE

**ONEXPO** offers a wide spectrum of building materials covering every stage of construction, including structural steel, cement and aggregates, plumbing and electrical systems, finishes, interiors, hardware, and exterior solutions.

Each category is carefully selected to ensure quality, compatibility, and performance - making **ONEXPO** a true one-stop destination for complete building requirements.

## TRUSTED BRAND PARTNERSHIPS

**ONEXPO** collaborates with India's leading construction and décor brands to deliver reliability and assurance across categories.

By working closely with established manufacturers and innovators, **ONEXPO** ensures access to products that meet industry standards, project demands, and evolving design expectations.
